

## Parent Forum Action Points: 30<sup>th</sup> January

### School Update:

#### Canteen services:

- Kitchen staff will reduce the sweet items pupils can buy to 2.
- Shire Services are planning an incentives scheme to encourage the return of bottles and packaging. School awaiting further details of this.
- From September, due to school expansion there is currently a feasibility exercise over a third service point outside. This is anticipated to reduce queues.
- Canteen is now fully staffed and through a period of staff absence due to sickness, so any recent queuing problems will be improved.
- Dialogue will continue with the providers in order to monitor provision of food.

#### Expansion:

- Next phase (Science rooms) due to be open Easter
- 3<sup>rd</sup> Phase (Humanities block) will be ready for September

#### Communication:

- Electronic copies of reports- positively received
- Reminder you can request paper copies
- Y11 Form tutor reports will now go out with the final progress checks.

#### Behaviour For Learning Policy Review:

- An overview of student leadership opportunities is needed
- Clarification about whether KS4 planners should be signed
- Review whether there is a possibility to apply in ways other than a written application
- Request for email contacts for Heads of department and Heads of Year. Please note: this was checked. These contacts are available under 'Contacts' menu of website
