

Year 10 Exam revision timetable

This timetable starts after half term. IT DOES INCLUDE WEEKENDS

Before then you must ask your subject teachers for revision lists and exam tips.

Use half term to get organised and catch up on other work.

Each revision session is 20 minutes, small and often is better than cramming! Tick off the sessions as you complete them and adapt the timetable (especially for options) to suit you but **STICK TO IT.**

Ask for help if you need it and remember to have time off away from revision.
