

KEY STAGE 3 Homework

Weekly homework: – English, Maths, MFL, Science

Fortnightly homework: Geography, History, ICT, RE

We have tried to spread the slots equally to encourage pupils to manage their time effectively as well as ensure a balance between study and relaxation. At KS3 it is reasonable to expect pupils to spend 30 minutes on each homework task.

All subjects may from time to time set discrete homework tasks, including revision/revisiting subject content for in class assessments.

These tasks will either complement their classwork or prepare them for future learning. It is our intention to sometimes provide a homework task where there have to acquire completely new knowledge and even new skills. Often there will be an element of research, problem solving and applying new learning.
