September 2018

Dear Parents

Friends have provided support at many school events over the past year, and we have been able to do this because of all the parental help we have received. We would like to offer our thanks to you for this.

Many of you found it helpful to have a list of the upcoming Friends events, so you were able to offer your support. Below are the events planned for the Autumn, Spring and Summer Terms.

Please will you consider making at least one offer of support? Partial attendance at an event would also be greatly appreciated. We will then be in touch a couple of weeks before the event/activity to remind you and with more details. Thank you so much.

Please tick the event(s) you are able to help with, then complete your details and return to the form tutor asap. You may wish to keep a note of the event(s) you have offered to help with. However, the Friends will also make contact with you. If you are unable to help with the whole event, but could come along for an hour, that would be great too.

Please ✓ tick if you can help

We are looking for a new Treasurer!

Our current Treasurer will be stepping down at the AGM. Very efficient systems have been put into place, which means the Treasurer's role will not involve a huge amount of time; just a small amount of paperwork, arranging floats and banking cash after events. There will definitely be a handover period so you will have plenty of time to feel confident with the small tasks involved. Please contact any member of Friends, the school office, or pop a note onto this form if you would like any further information. As you can see from above, we don't have many Friends meetings throughout the year, and when we meet, we of course have events to plan, but we also have fun catching up with each other. It would be great to hear from you.

Many thanks for taking the time to complete this form.
