Formative Assessment/key piece of work prior to end of unit:

The receptive skills of listening and reading are assessed formatively in nearly every lesson. The productive skills of speaking and writing will be assessed formatively in the 2nd half of the cycle.

Summative Assessment

The receptive skills of listening/reading.
The productive skills of speaking/writing.

Building Retention: What prior learning must be built upon/revisited and how will it be assessed?

Developing core language skills in listening, reading, writing and speaking from Year 7 and Year 8.

Enhancing understanding of grammar and how the language works.

How will you promote high standards within this module?

We will expect spelling and taught grammar to be accurate. Pupils will be challenged to develop opinions and justifications. Pupils will learn how to manipulate the grammatical and linguistic structures we have learnt in class. Pupils will further perfect their translation skills both from and into French.

Link forward: where next for the learning?

Throughout Year 9 pupils will build and develop both their vocabulary banks and their ability to manipulate language. They will learn a variety of linguistic skills which will develop them as lifelong language learners in line with what will be expected from them at GCSE.
