Company No: 07657852

Dear Parents/Carers

From Tuesday 6<sup>th</sup> November, the library is open after school for independent study for Year 11 pupils from 3.30-5.00pm, Monday to Friday.

This is a valuable opportunity for pupils to prepare for their examinations as well as completing homework. The library is staffed, so pupils will be supervised.

Pupils will be registered and not allowed to leave the site to go to the village shop, either before entering the library, or for the duration of their stay. Mobile phone usage will not be allowed in the library. If pupils are unable to work sensibly, or are distracting others, they will be asked to leave.

As you will see from the published schedule, there are many other subject specific sessions pupils can attend for support and guidance. Pupils can attend a session and then come to the library afterwards.

There may be occasions where staff ask pupils to stay, if they are behind with work or need some extra support. Staff will contact home if this is the case.

We hope that your son/daughter will use the facility on offer. Pupils who attended regularly last year made a significant positive impact on their final GCSE grades.

Alongside this letter, you should have received a list of revision sessions that are available both during and after school. This information will also be available on the school website.

Yours sincerely

Mrs S Blunt  
Head of Year 11

\*Also, now is a good reminder that all pupils have access to SAM Learning. If your child has lost or forgotten their login details, they can come and see myself or Mrs Webster for a reminder.
