7th November 2018

Dear Parents/Carer

Y11 Exam Preparation Evening: Tuesday 27th November 6.00-7.30pm

As the countdown to the mock exams commences, we are keen to involve and inform parents as much as possible in what you should expect to see your child doing at home when s/he is revising. We are keen that pupils are able to work effectively, have the ability to work independently as well as maintain a healthy and positive mental wellbeing because this will clearly have an impact on their final performance.

We hope that by informing you, with advice and practical strategies, you will be able to further encourage and support your son/daughter. With this in mind, we will be offering a short talk about the best practice in revision and will follow this with the opportunity for you to participate in a series of 15 minute 'have a go' workshops with different strategies as well as talk to representatives of departments who will outline different revision strategies for their subject.

I do hope you are able to attend, and pupils are strongly encouraged to attend. This evening forms part of our wider support for Y11 pupils that includes a motivational session with an outside speaker in February, revision classes and, of course, the need for a revision plan from each pupil, signed by parents. Thank you for your assistance in this. Please return slips by **Friday 23rd November** to form tutors.

Yours sincerely

Nicola Clear
Deputy Headteacher
