

**Minutes of  
General Meeting of  
The Chantry Friends  
Monday 9<sup>th</sup> July 2018, 7-9pm**

**Present:** Sarah Dunks, Rachel Nicholson, Lorna Davies, Anna Martin, Kate Bray, Nicola Clear, Brenda Williams, Amanda Barker, Janine Biggs.

This meeting was held at the Maons Arms, Whichenford, to discuss the departmental bids and the allocation of Friends funds to these bids. The balance on the Friends account is £3457.03, and the balance on the Chantry Chance account is £2513.73.

Friends asked for bids which were a bit different and something which would have a beneficial impact on a significant number of children. Many smaller bids have been purchased from the curriculum budget, and 2 bids were not allocated to. The following bids were successful:

1. Drama - The bid asked for £5,000 for new lighting and £1,500 for studio lighting. Due to the drama department making a bid to the National Theatre, and already having money in the drama budget from past productions, it was decided to allocate £2,000 from Friends and drama would fund the shortfall.
2. Computer Sciences – Lego Robotics Club allocated £319.
3. PE – Young Leader T Shirts allocated £187.
4. Pastoral – Community T shirts for charity days in the local community allocated £112.
5. English – Magic flip chart paper allocated £539.

Total allocated £3157.
