

Dear Parents/Carers

## Year 7 Science Trip - Friday 5<sup>th</sup> July 2019

Your child has been invited to attend an end of year Science trip visiting 2 attractions in Bristol; 'We The Curious' and Bristol Aquarium. This trip is solely for Year 7!

'We The Curious' is one of the UK's largest and most exciting interactive Science centres, with over 250 exhibitions and hands on activities spread over 2 floors! Pupils will also visit Bristol Aquarium, where they will explore more than 40 naturally-themed displays and spot the thousands of amazing aquatic creatures.

Pupils should arrive at school in the usual way, with coaches leaving at the start of the school day. As we are visiting 2 attractions, the trip would return **at approximately 5:30pm**. This means you will need to make your own transport arrangements for collection from school. A packed lunch and drink will be necessary; no food will be available to buy at the venues. Pupils should wear own clothes but these should be appropriate for a school trip and for the weather on the day. Pupils may bring a small amount of money to spend in the attraction gift shop.

It is vital that pupils are aware of the high standards of behaviour we expect of them. They will be representing The Chantry School and, as such, expect them to maintain excellent behaviour throughout the day. This includes acting safely and sensibly at all times, following instructions from staff at the centre as well as teaching/support staff, ensuring that they remain within the designated areas at all times and meeting with staff at the stated times for lunch and at the end of the trip. We appreciate your support in reiterating these expectations to your child.

The trip will cost £24.00 per pupil to cover travel expenses and entry to the attractions. This will be **non-refundable** if your child is unable to attend. Should your child be unable to attend, they will need to attend school in full uniform as usual.

Yours sincerely
