15th of September 2022

Dear Parents/Carer

We are really pleased your son/daughter has opted to do GCSE Art in September. Although the resources for this course are readily available for pupils' use within the classroom, our experience shows that some pupils may prefer to purchase their own equipment. In order to assist our pupils, the department has put together a bespoke art pack to purchase. The pack includes materials that will be of use within the classroom, for homework and for personal interest. The items are selected and included to encourage freedom, experimentation and practical use at home.

We feel the pack is exceptional value for the cost of £29.39 due to the school being able to purchase the materials in bulk. The pack will consist of the following items:

- A2 Plastic Folder
- Set of Sketching pencils.
- Set of Water colour pencil crayons.
- Set of assorted colour water colour paint palette.
- Set of acrylic paint tubes.
- Set of quality paintbrushes.
- Pencil sharpener.
- Eraser.
- Black fine liner.
- Glue stick.
- Masking tape.
- White gel pen.

We hope you consider this a worthwhile purchase to support the creative activities of your son/daughter as they embark on their next phase of education at The Chantry.

To secure a pack please could you pay via the online payment system by 30th September.

Yours sincerely

Mrs S Marshall
Head of Art
