Dear Parents/Carers

I would like to give your son/daughter the opportunity to purchase a copy of the **Revision Workbook and or the Grammar and Translation workbook**. These books will be valuable tools as they embark upon their GCSE course in French/German. They are both produced by Pearson and they are both in line with the GCSE specifications relevant to AQA, our exam board for French/ German.

The **Revision Workbook** offers an excellent chance for revising and practising, in particular for the Listening and Reading exams which take place at the end of the course. The **Grammar and Translation Workbook** would give your son/daughter a set of concise grammar notes with exercises to consolidate their learning and also help them develop their skill of translation into English and into French/German.

We do intend to use both books detailed above as a reference in class and also for home learning. Both books will provide support material for use in assessments / exam preparation lessons which are conducted throughout the course. They will also be of invaluable help with work which will be set online.

We are able to offer them at a reduced price - **£2.80** for the Revision workbook and **£6.90** for the Grammar and Translation book - **£9.70 altogether** - as we have negotiated to buy them as a school. We **strongly recommend** purchase of both books. If you would like to purchase both of these (or one of them) for your son/daughter, please pay for each book required through the School Gateway by **Friday 23rd September**.

Yours sincerely
