Dear Parent/Carer

## **KS4 Science Revision Guides**

I would like to give you the opportunity to purchase a science revision guide for your son/daughter. These guides will be a valuable tool for KS4 revision. As KS4 is now a terminal exam in Year 11, the books will consolidate studies and help focus revision.

Please see the attached sheet with information on the guides available. The guides offer all the information pupils will cover in class and they offer quick practise tests to ensure pupils are completely ready for all interim, mock and final exams.

We are pleased to be able to offer these guides to you at a reduced price, as we are able to purchase in bulk as a school to keep costs down.

Orders will be placed on 31<sup>st</sup> October. Please place orders and payment through the school gateway.

Yours sincerely

Jacqui Wallis  
Head of Science
