Please note that your child will require a full British passport, as well as a GHIC card. You can apply for this free of charge on the NHS website. There is no necessity to be able to ski; beginners are more than welcome! We will be organising a couple of optional dry ski slope sessions over the winter in the lead up to the trip, primarily for the benefit of beginners. Details of these, including cost, will be given later in the year.

If you would like your child to join the ski trip, please send a deposit of £100.00 (non-refundable once accepted onto the trip) via School Gateway by Thursday 30th March. A second deposit of £80.00 will be requested by Friday 19th May, with the full balance payable before Friday 1st December. Please also complete this [on-line consent and information form](#).

Please bear in mind that, whilst all will be done to avoid disappointment, this ski trip is dependent upon numbers. In the event the trip is undersubscribed, your deposit will be refunded. Should selection be necessary, a decision will be made as described by the school trip selection policy. Places will be confirmed at the end of week commencing Monday 27th March. All places on the ski trip are reserved on the basis that your child's behaviour continues to remain exemplary.

If you require any further information before deciding, please do not hesitate to contact me.

Yours sincerely

Andy Stone
