Dear Parents/Carers

KS3 Science Revision Guides

I would like to give you the opportunity to purchase a science revision guide for your son/daughter. The revision guide will be a valuable tool for KS3 revision, it will help to consolidate studies, help with retrieval whilst also providing practice questions to focus their revision.

The new guides are produced by Oxford Revise which offers Knowledge/Retrieval/Practice sections which we believe are more impactful than previously used CGP revision guides. If your son/daughter already has a CGP guide they do not necessarily need to purchase a new one. Both new and old guides will have all the information pupils will cover in class.

We are pleased to be able to offer the guide to you at a reduced price as we are able to purchase in bulk as a school to keep costs down.

The revision guide to order is -

KS3 – Year 7 and 8 Oxford revise KS3 Science revision and practice @ £5.50 (RRP £10.99)

Please place orders via this [on-line form](#) and make a payment through the school gateway by Monday 16th October.

Yours sincerely

Mr A Moore
Science Department
