Dear Parents/Carers

KS4 Science Revision Guides

I would like to give you the opportunity to purchase a science revision guide for your son/daughter. These guides will be a valuable tool for KS4 revision. As KS4 is now a terminal exam in Year 11, the books will consolidate studies and help focus revision.

The new guides are produced by Oxford Revise which offers Knowledge/Retrieval/Practice sections which we believe are more impactful than previously used CGP revision guides. If your son/daughter already has a CPG guide they do not necessarily need to purchase a new one. Both new and old guides will have all the information pupils will cover in class.

We are pleased to be able to offer these guides to you at a reduced price, as we are able to purchase in bulk as a school to keep costs down.

Please place orders via this [on-line form](#) and payment through the school gateway by Monday 16th October.

Yours sincerely

Adam Moore
Science Department
