5th December 2023

Dear Parents / Carers,

As part of the 2023/24 English curriculum and revision programme for Years 9, 10 and 11, the English department has invited the Quantum Theatre Company into school for pupils to see a production of Charles Dickens' "A Christmas Carol".

The company will perform on the morning of 21st December 2023, so it will be an enjoyable and festive experience as well as an educational one. We have booked the performers for two shows so that sufficient seats are available to allow for all pupils in Year 9-11 to attend and it is the expectation that all attend.

In order to cover the costs of this event, we must ask for a small payment of £3.50 per pupil. I am sure you will agree that this is reasonable and far more cost-effective for your child than a visit to the theatre out of school. Our preferred method of payment is via the school gateway, please make your payment by Tuesday 19th December.

Many thanks for your support.

Yours sincerely,

Angela Bates
Head of English
