

Using the Arbor Student App.

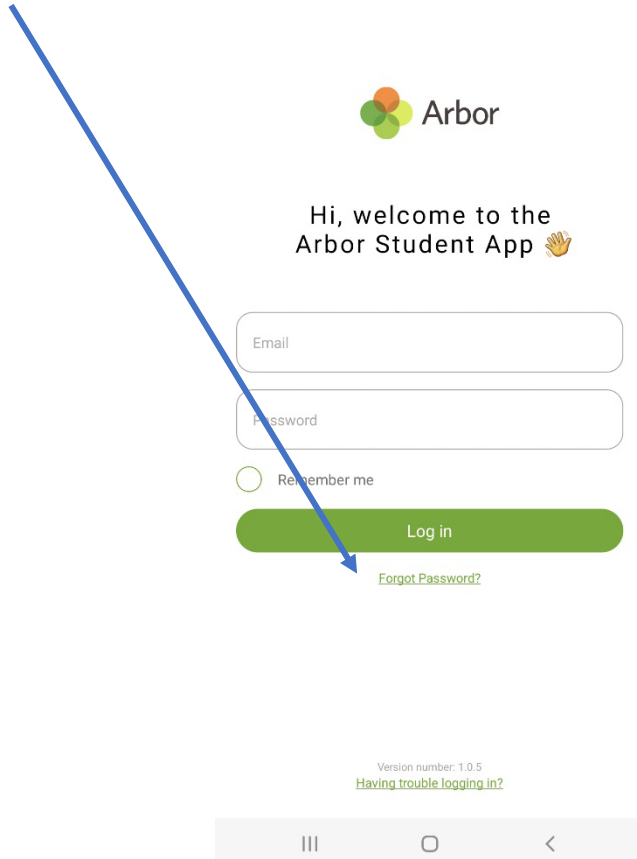

Go to your devices App store and search for Arbor Student App, or scan the correct QR code for your device.

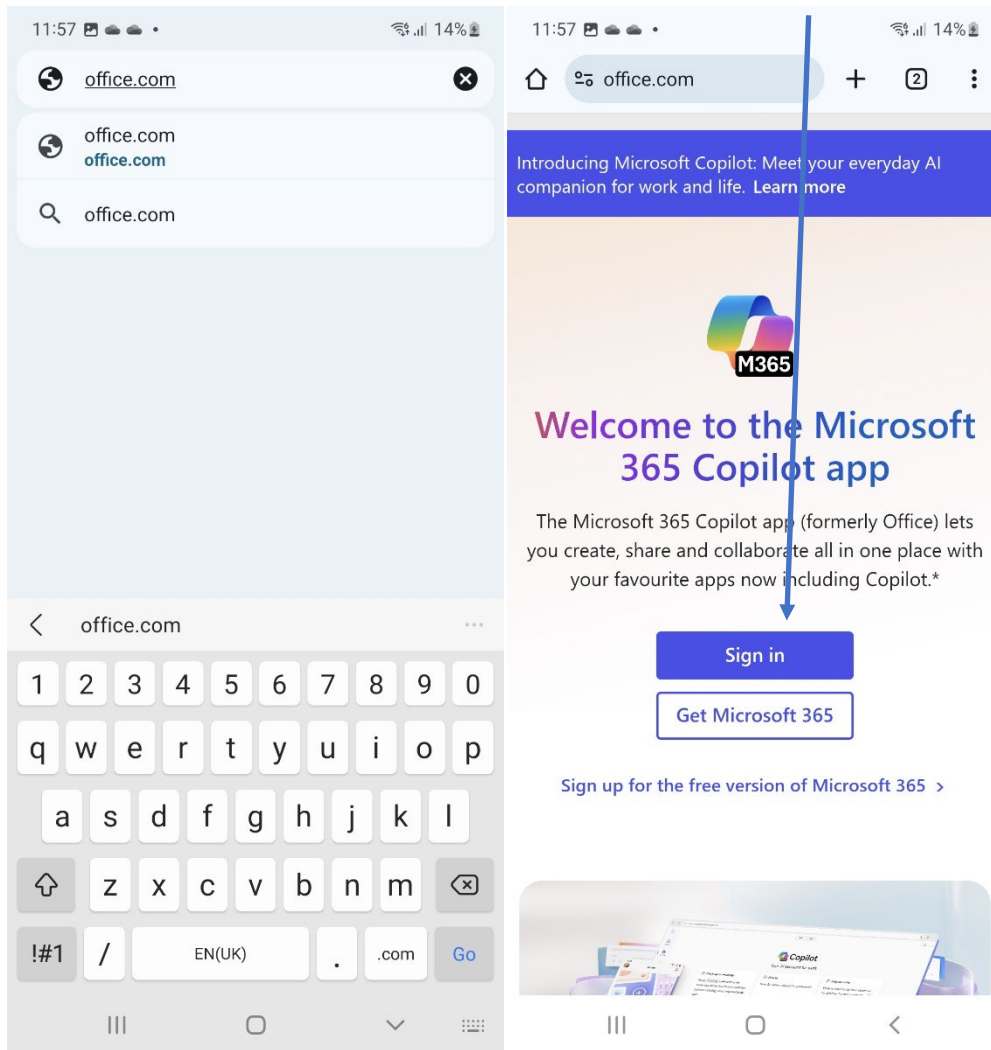

Once this has installed, open the app and you will see the login page

Please click the "Forgotten Password" option.

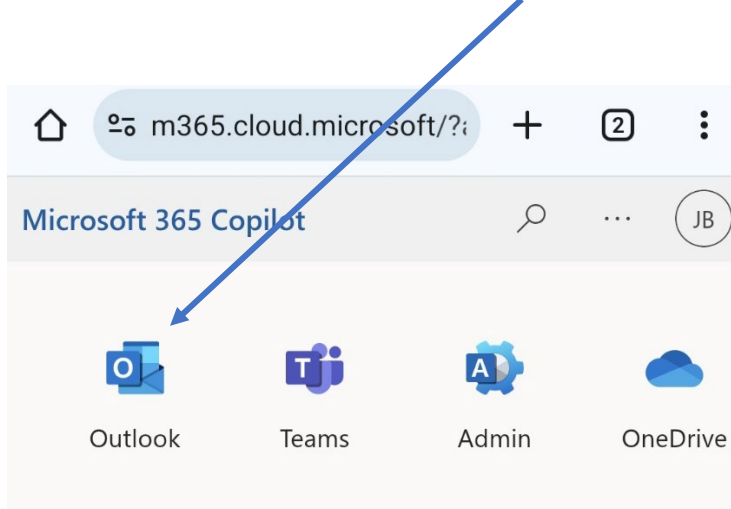

11:56 14%

This will send a password to your school email. To access your school email you need to open an internet browser and go to office.com. Click the sign in button.

To access your emails you need to click Outlook.

You will have an email from Arbor to reset your password, Click the link and follow the instructions. This is then your password for Arbor and when you enter it on the app I recommend you save it to your device to speed up your logins in the future.
