1 Aims

This policy statement aims to set out our school's arrangements for managing the access of education and training providers to pupils for the purpose of giving them information about their offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

2 Statutory Requirements and Guidance

Schools are required to ensure that there is an opportunity for a range of education and training providers to access pupils in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these pupils.

This is outlined in section 42B of the Education Act 1997.

This policy shows how our school complies with these requirements.

3 Pupil Entitlement

All pupils in years 7 to 11 at The Chantry School are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as part of our careers programme, which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships
- Understand how to make applications for the full range of academic and technical courses

4 Management of provider access requests

Procedure

The Chantry School requires a 6 week notice period to process applications for access and will endeavour to seek the earliest possible convenience to allow consideration of our internal calendar and appropriate administration and coordination of activities or presentations.

A provider wishing to request access should contact Melanie Palmer, Assistant Headteacher.

Telephone: 01905 887100

Email: mpalmer@chantryschool.com

Opportunities for access

Our provision includes various opportunities for pupils to access a range of events. These are integrated into The Chantry School careers programme and curriculum as well as hosting or attending one off events that provide such opportunities. The integrated events are usually delivered internally, with contribution from external providers where necessary. These events are publicised to parents in our parent bulletin.

The Chantry School employs an independent and impartial careers advisor who works with year 11 pupils to ensure that they are able to make an informed choice about their next steps. The advisor will see all of our year 11 cohort at least once, but where necessary repeat appointments can be made.

Granting and refusing access

Access to pupils will be granted when:

A 6-week notice period has been given

Organisations understand the importance of flexibility and the constraints within a school day

Safeguarding

Our safeguarding policy outlines the school's procedure for checking the identity and suitability of visitors.

Education and training providers will be expected to adhere to this policy.

Premises and facilities

Once visits have been agreed, The Chantry School will provide appropriate facilities for the visit, along with any equipment requested by the provider where it is available.

- Providers should make requests for equipment and venues clear prior to arrival. Visits can be held in the main hall and delivered to a whole year group, or in a classroom to a smaller group.
- Providers are welcome to leave prospectuses or other material for pupils to read at reception for the attention of Melanie Palmer. This material will be placed in the careers section of our library and advertised to pupils.
