Invigilators wanted

Casual hours

Salary: £15.20 per hour (casual rate)

We are looking to expand our pool of Exam Invigilators to facilitate both external and internal examinations taking place in school at intervals throughout the academic year. This is a vital role in ensuring that examination processes run smoothly and efficiently, and that the school remains secure and fully compliant with awarding body regulations.

Our invigilators play a key part in ensuring pupils undertake their examinations in a professional, well-organised, and supportive environment.

If you are highly organised, calm, approachable, reliable, and punctual, and are keen to support pupils at an important and potentially stressful stage of their learning journey, we would love to hear from you.

Examinations take place mainly over two weeks in **November** and **February**, and from **early May through to late June**. Full invigilator training will be provided. Safeguarding training and an enhanced DBS check will be required.

For more information, please contact **Karl Stapleton** in the Exams Office *kstapleton@chantryschool.com*

Please download an application form from the vacancies section of our website: **www.chantryschool.com**
